

Bisso Lufesa Gets Formal Introduction

LIMA, Peru (June 19, 2009) – Bisso Lufesa Contratistas Maritimos S.R.L. was formally introduced at a special reception as a full-service marine contractor providing services to the maritime, shipping and offshore energy industries.

Held at the Swissotel Lima, the gala featured more than 400 guests, including representatives of the maritime and oil and gas industries, government officials and naval authorities.

Headquartered in Lima, Bisso Lufesa combines the expertise, resources and experience of Bisso Marine, founded in 1890, and Lufesa Divers, founded in 1992. The company has been operating in Peru for approximately one year.

“Bisso Marine is very pleased to add our support to the solid base of experience and talent offered by Lufesa Divers,” said W.A. “Beau” Bisso IV, president and chief executive officer. “This displays our commitment to the continued growth of the maritime industry in Peru and throughout Latin and South America.”

Lufesa Divers is an ISO 9001 certified and class-approved commercial diving and emergency response company widely recognized as a market leader. Bisso Marine is an industry leader in marine salvage, wreck removal, offshore construction, pipeline services and diving services.

Services provided by Bisso Lufesa include diving, offshore construction, port operations, salvage and firefighting, pumping and lightering, pollution response and marine transportation.

“The company’s mission is to be a pacesetter in the energy and marine support industries while providing our customers with unparalleled safety, quality, efficiency and productivity,” Bisso said.

Bisso Lufesa also is part of the T&T Bisso Response Network, an international vessel emergency response services provider.
